What we can do...

Cats provide significant rodent control to your property, so we can help you control the population. You will not have new cats or kittens making the situation unworkable.

- We can assist with trapping any stray cats, spay or neuter and vaccinate them, and return the cats to the same area.
- Help create feeding stations above the ground to prevent skunks and racoons on your property.
- Provide animal shelters.

Healthy companion animals are important.

We can provide free vouchers for spay/neuter/vaccines for dogs, cats and rabbits.

- Through a grant from the Rancho Cordova Community Enhancement Fund, we can provide free spay/neuter/vaccines (must be Rancho Cordova resident)
- Through a grant from the TOT (Transient Occupancy Tax) fund, we are able to provide free spay/neuter for low income residents of the County of Sacramento (subject to grant funding in 2019)

Thank you for helping us improve the lives of animals!
